

# BUILDER BOARD® PROJECT EDITION™

Protect the job with the same professional grade you expect from Builder Board®, now in a lighter roll. Jobsite protection has never been simpler with Builder Board® Project Edition.

Project Edition hugs surfaces like never before and comes ready to work in a lighter roll. It still guards against water, paint, mud, is made from recycled material and proudly made in the U.S.A.

**TOUGHER  
THAN THE  
JOBSITE.®**

## PRODUCT FEATURES

- Lighter version of traditional Builder Board®
- Durable for the toughest projects
- Allows vapors to escape for maximum breathability
- **2X as thick** as builders paper\*
- Covers the same area as 5 sheets of 1/4" Plywood (10 / 100ft roll)
- Reusable paperboard for anyone looking for the same trusted protection of Builder Board® in a smaller, lighter roll

35in x 100ft Project Edition roll - BLDPE35100

*\*Based on the average / nominal thickness of Builder's Paper. Please contact Surface Shields at 844.466.6377 for details.*
