

# SEAM TAPE *FR* FLAME RETARDANT TAPE

*Tested and certified to meet NFPA - 701 standard.*

**With a strong adhesive and a flexible backing, Seam Tape FR is ideal for any kind of FR application.**

All new Seam Tape FR is formulated with flame retardant properties to meet NFPA-701. It comes in cases of 24 rolls, 1.89 in. by 60 yd., and is designed to be used with any Surface Shields product, both FR and non-FR. Designed with strong adhesive and flexible backing, Seam Tape FR makes seaming and repositioning easy. It also includes a pinked edge for a smooth tear, making it ideal for any kind of FR operation.
