

STAIR SHIELD™

TEMPORARY STAIR PROTECTION

Stair Shield is a reusable, heavy-duty, yet lightweight stair protection product.

Protect every part of the stair including the tread, riser and bullnose. The adjustable tread allows for dynamic coverage, protecting stairs that are 10.25in, 11in, or 11.25in deep. The two grip strips promote traction for extra stability. Stair Shield is offered in 34in and 40in wide options.
